

CUB SCOUT PACK 451
REREGISTRATION FORM FOR 2010 (4 months)

Cub Scout Pack 451 re-registration for 2010 will start with the March 11, 2010 pack meeting. We are only collecting four months (1/3 year) of dues at this time, because this fall the pack is changing its fiscal year to a school year (September to August). This re-registration form, along with the fees, must be received NO LATER than the Pack Meeting on April 15, 2010. Failure to re-register means that, after April 30, 2010, your son is no longer registered in Scouting after that time, and can only participate in the pack and den by completing a new application form and submitting the fees at that time.

Den Leaders and other already-registered adult leaders in the Pack also need to re-register using this form. Places appear below in this form for adult leaders to re-register with the pack. If you are a parent or adult leader who has not registered before, but would like to officially join and be registered, then you will need to fill out an adult leader application form, and use this form only to re-register your son.

Please print out this form, complete it as directed and either (1) mail to Chip Reinhardt, PO BOX 1452, Durham, NC 27702, (2) bring it with fees to the March 11 pack meeting or (3) bring it with fees to the April 15 pack meeting,

Cub Scout's name: _____
